

# A Network for Net Zero

## Five years. Five clear goals.

Get involved in shaping the future of the north of Scotland transmission system

### Invitation to regional roadshow

We are currently consulting on our [draft Business Plan](#), 'A Network for Net Zero', which covers the period April 2021 to March 2026.

This is your chance to help shape our future plans and we would be delighted if you could join us at one of our regional roadshows to provide your feedback.

The roadshows will provide an overview of the key themes of our draft Business Plan and our commitments to our customers, communities, energy consumers and wider society. Our plan includes five ambitious goals which we hope meet the needs and expectations of all our stakeholders.

We will also present our regional investment plans, setting out which projects we plan to take forward as well as additional projects that may be required to help the country meet its net zero emissions targets. We really want to hear your views on which investments should be included in our final Business Plan.

To register for an event simply click on the location below and follow the instructions.

Please note that numbers are restricted and spaces will be allocated on a first come, first served basis.

- [09:00 – 12:30 on Monday 12 Aug 2019 - Doubletree Hilton, Aberdeen](#)
- [09:00 – 12:30 on Wednesday 14 August 2019 - The Kingsmills Hotel, Inverness](#)
- [09:00 – 12:30 on Friday 16 August 2019 - McDiarmid Park, Perth](#)
- [09:00 – 12:30 on Tuesday 20 August 2019 - Loch Fyne Hotel & Spa, Inveraray](#)
- [09:00 – 12:30 on Thursday 22 August 2019 - Mackays Hotel, Union Street, Wick](#)

We are also hosting an all-day consultation event in Glasgow on 28 August which we will also be running as an online webinar for anyone who can't attend in person.

At this event we will share the feedback received so far throughout our consultation and attendees will have the opportunity to participate in breakout sessions to provide further feedback on all parts of our draft Business Plan.

To register for our Glasgow event, simply click on the link below and follow the instructions:

- [09:00 – 15:00 on Tuesday 27 August 2019 - 200 St Vincent St, Glasgow](#)

#### Unable to attend?

If you are unable to attend any of our events, we still want to hear your feedback. Our consultation is open until 31 August and you can find out more about our plans and how to provide your feedback on [our website](#) with our consultation feedback form available [here](#).

**Five years.  
Five clear goals**

- Transport the renewable electricity that powers 10 million homes
- 100% network reliability for homes and businesses
- Every connection delivered on time
- One third reduction in our greenhouse gas emissions
- £100 million in efficiency savings from innovation

Delivered for around £7 a year
